

Sample Transition and Care Policies/Guides

As you develop your transition policy, you should strive for a 6th grade reading level using common words with a concise message, plenty of white space, and an easily readable format. Please see the [QI Primer](#) for in depth information about health literacy, including strategies for implementation, which are crucial to creating a transition policy that will be understandable and usable for young adults and their families.

Sample Transition and Care Policies/Guides from the Six Core Elements of HCT™

- Sample policy from Got Transition’s “Integrating Young Adults into Adult Health Care” (click [here](#))

Sample Transition and Care Policies/Guides at Different Reading Levels

- See a policy in the middle of revisions at 8th grade reading level and then see the final version of the policy at 6th grade reading level (click [here](#))
